

Planet Paint

It is run by a committee of P7 and P6 pupils from Kinloss primary school, supported by staff who have volunteered to run the planet paint sessions. We have spent £3000 on materials and equipment for planet Paint as well as £30 from Tesco which was very Grateful. We are still trying to find more ways to raise more money.

Meetings are held every 2 weeks on a Wednesday, after school in the Art room which we talk about things that have gone on in planet paint sessions and all about Funding.

We are trying to get an artist in residence so we can run more sessions in class time. The pupils can go if your teacher say so if you have finished all your work.

Yours Sincerely,

Paige and Chloë
Planet Paint Committee i89

Lots of people enjoy Planet Paint (even the committee!)

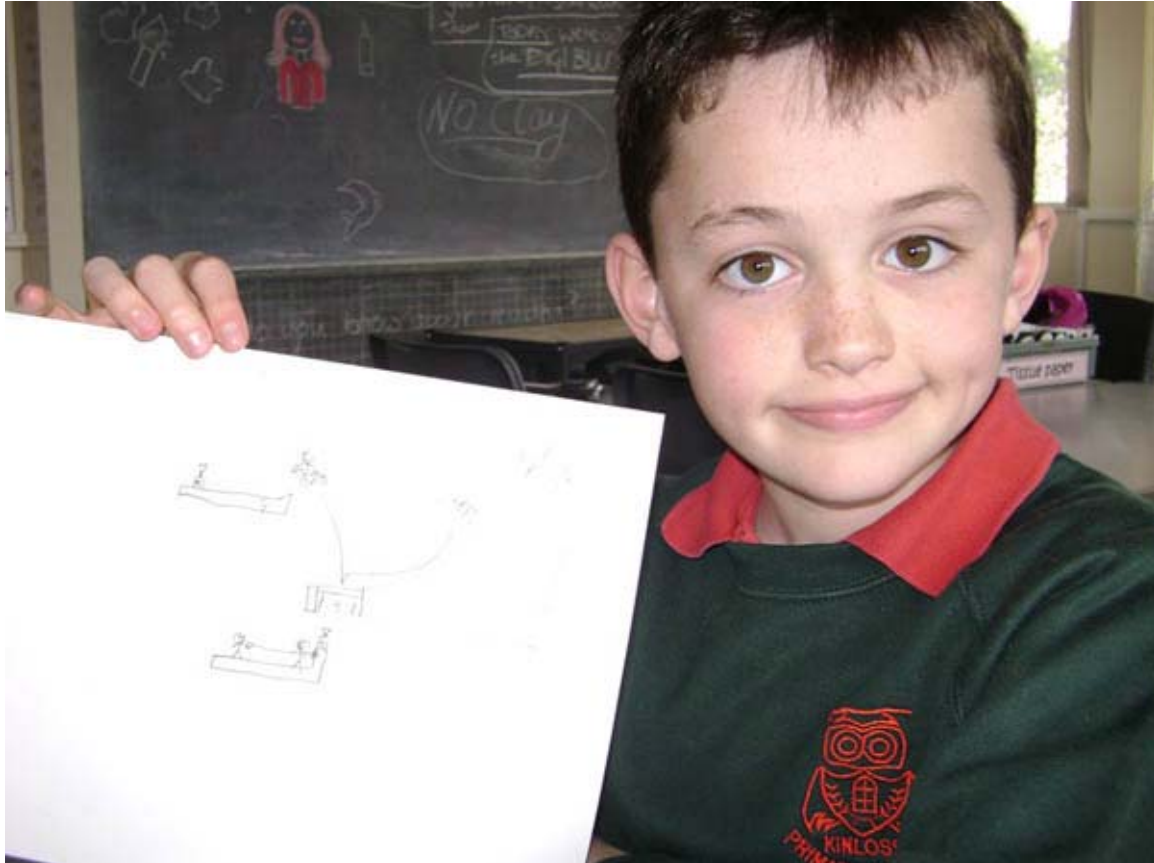

The children concentrate on their paintings so they turn out really good

Working on the computer is also part of being on the committee

You can make and paint canvases at Planet Paint and it can go up on exhibition

People draw what they are interested in as well!

Drawing at Planet Paint

You can paint pictures of anything you haven't seen before!

Some of the rules of Planet Paint have been written on the blackboard for everyone to see.
