

Room 13

We have recently become an official Room 13 and are enjoying every minute of it! Room 13 is an Art club that is run at lunch time by the pupils for the pupils.

The committee is also helped by some of the staff: Mrs Raymond, Mrs Rose and Mrs Hotson. We have been trying to get an Artist in Residence so that we can go down during class when we have finished our work. So far we have had two interested artists and are very hopeful.

We took part in a competition called The Inside out Boxes and we won a visit from the Travelling Gallery with an exhibition called Paint Can and we won two Art Workshops.
